- Roads, ditches, and culverts are in poor conditions. They need to be fixed.
- Spending taxpayers money without accountability. Too much money being spent on projects without a plan or cost analysis.
- No road maintenance program exists.
- Township buildings are in very poor condition.
- Projects are approved without bids or proposals.
- People want a Township Website.
- The Cadillac Health insurance plan is too expensive. No deductible or co-insurance is required.
- Slow or no response to residents concerns.
- No opportunities to participate in governmental decisions.
- Township meetings are disorderly and unprofessional
- No zoning code enforcement
- No plan for the future.

Let's make a change

Elect

JOHN FESTA

John Festa for Trustee

When elected Trustee, I will use all of my experiences and resources to help promote and deliver a quality product to everyone in the Township, without regard of social standing or affiliations, so together we can advance a firm footing for the future of our community.

A favorite saying of mine is:
"There is no Community without
